## INFORMAZIONI TECNICHE / TECHNICAL INFORMATION

Qualità di materiali e di realizzazione, come da sempre nella filosofia Pianca. I programmi PEOPLE e SPAZIO si differenziano per la struttura e i frontali, ma sono accumulati dall'ampia modularità e da molteplici soluzioni tecniche. I vani completamente liberi grazie al nuovissimo sistema di staffe a C, l'estrema personalizzazione degli interni cassetto, i sistemi di elettrificazione per boiserie, piani e scrittoi, sono solo alcune delle innumerevoli personalizzazioni pensate per risolvere ogni necessità sia estetica che tecnica.

Quality has always been at the center of Pianca's philosophy, both in terms of materials and craftsmanship. PEOPLE and SPAZIO are two modular systems whose main difference is to be found in the structure and fronts. They have in common a wide modularity and lots of innovative technical solutions: a new C shaped support bracket that allows for a wider usable space inside flap door modules, a wide choice of finishes for drawer structures, wire management solutions for wall panels, desks and modules...to name only some of the countless options to combine aesthetics and technology.

## FINITURE E COLORI / FINISHES AND COLOURS

Un'ampia gamma di colori e materiali per esprimere il piacere dell'arredo nelle sue molteplici combinazioni.

I legni dal sapore naturale, le materiche finiture a poro aperto, i sobri laccati opachi, gli scintillanti lucidi, le trasparenze dei vetri, i riflessi degli specchi, la naturalità delle pietre, danno vita all'animo di ogni spazio.

Raffinati accostamenti che si esaltano reciprocamente e che caratterizzano lo stile Pianca.

A wide range of colors and materials to communicate the pleasure of decorating and to suit every taste: natural wood, engineered solutions such as open pore, sober matt lacquers, shiny high-gloss lacquers, transparent glass, mirrors, real slate.

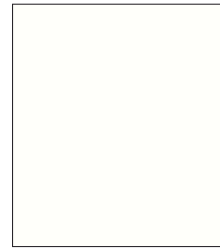

Elegant, sophisticated finishes that enhance each other in authentic Pianca style.
